REMARKS

The claims now remaining in this application are claims 1, 8 and 14. Claims 1 and 8 have already been indicated as being allowable, while claim 14, as amended, actually represents claim 16 rewritten in independent form. Since claim 16 was indicated as being allowable subject to being rewritten in independent form, it is thought that claim 14 is allowable, and the application is now ready for issue, which action is courteously solicited.

PTO is authorized to charge any additional fees incurred as a result of the filing hereof or credit any overpayment to our account #19-0120.

Respectfully submitted,
